TASMANIAN INDUSTRIAL COMMISSION

Industrial Relations Act 1984

CORRECTION ORDER

WHEREAS an error occurred in the Order giving effect to the Commission's decision of 10 July 2003 (T10887 of 2003) varying the **CLEANING AND PROPERTY SERVICES AWARD**, in accordance with Section 19(2)(a) of the *Act* the Commission hereby corrects Order No. 2 of 2003 in the following manner:

1. By deleting from Clause 8 – Wage Rates, subclause (e) – Minimum Wage, and inserting in lieu thereof the following:

"(e) Minimum Wage

(i) Minimum Wage

No employee shall be paid less than the minimum wage.

(ii) Amount of Adult Minimum Wage

(1) The minimum wage for full-time adult employees not covered by subclause (d) - Supported Wage System is \$448.40 per week.

(2) Adults employed under a supported wage system clause shall continue to be entitled to receive the wage rate determined under that clause. Provided that such employees shall not be paid less than the amount determined by applying the percentage in the supported wage system clause applicable to the employee concerned to the amount of the minimum wage specified in subparagraph (ii)(1).

(3) Adults employed as part-time or casual employees shall continue to be entitled to receive the wage rate determined under the casual and part-time clauses of the award. Provided that such employees shall not be paid less than pro rata the minimum wage specified in subparagraph (ii)(1) according to the number of hours worked.

(iii) How the Minimum Wage Applies to Juniors

(1) The wage rates provided for juniors by this award continue to apply unless the amount determined under subparagraph (iii)(2) is greater.

This document is translated from the original order and is not in itself a legal document. No responsibility is taken for any discrepancy that may arise between this document and the order that was printed and published by the Printing Authority of Tasmania.

(2) The minimum wage for an employee to whom a junior rate of pay applies is determined by applying the percentage in the junior wage rates clause applicable to the employee concerned to the relevant amount in subparagraph (ii)(1).

(iv) Application of Minimum Wage to Certain Employees

Due to existing applicable award wage rates being greater than the relevant proportionate minimum wage, this clause will not apply to employees falling within the scope of the National Training Wage (Tasmanian Private Sector) Award and Trainees undertaking an apprenticeship.

(v) Application of Minimum Wage to Award Rates Calculation

The minimum wage:

- (1) applies to all work in ordinary hours;
- (2) applies to the calculation of overtime and all other penalty rates, superannuation, payments during sick leave, long service leave and annual leave, and for all other purposes of this award; and
- (3) is inclusive of the arbitrated safety net adjustment provided by the July 2003 State Wage Case Decision (T10887 of 2003) and all previous safety net and state wage case adjustments."
