(i) Eligibility criteria

Subject to this subclause an employer may engage employees at a supported wage rate (as set out in paragraph (iii) of this subclause) who meet the impairment criteria for receipt of a Disability Support Pension and who, because of their disability, are unable to perform the range of duties to the competence level normally required for the class of work for which they are engaged.

**PROVIDED** that this subclause does not apply to any existing employee who has a claim against the employer which is subject to the provisions of workers' compensation legislation or any provision of this award relating to the rehabilitation of employees who are injured in the course of their current employment.

**PROVIDED ALWAYS** that this subclause does not apply to employers in respect of their facility, programme, undertaking, service or the like which receives funding under the Disability Services Act 1986 and fulfils the dual role of service provider and sheltered employer to people with disabilities who are in receipt of or are eligible for a disability support pension, except with respect to an organisation which has received recognition under s.10 or under s.12A of the above Act, or if a part only has received recognition, that part.

(ii) For the purposes of this subclause:

60%	60%
70%	70%
80%	80%

**PROVIDED** that the minimum amount payable shall be not less than \$45 per week.

(iv) Assessment of capacity

For the purpose of establishing the percentage of the award rate to be paid to a supported wage employee under this award, the productive capacity of the employee will be assessed in accordance with the Supported Wage System and documented in an assessment instrument by either:

- (1) the employer and a union party to the award, in consultation with the employee or, if desired by any of these;
- (2) the employer and an accredited Assessor from a panel agreed by the parties to the award and the employee.

Employees covered by the supported wage provisions of this subclause shall be entitled to the same terms and conditions of employment as all other workers covered by this award who are paid on a pro rata basis.

(viii) Workplace adjustment

An employer wishing to employ a person under the provisions of this subclause shall take reasonable steps to make changes in the workplace to enhance the employee's capacity to do the job. Changes may involve re-design of job duties, working time arrangements and work organisation in consultation with other workers in the area.

(ix) Trial Period

- (1) In order for an adequate assessment of the employee's capacity to be made, an employer may employ a person under the provisions of this subclause for a trial period not exceeding 12 weeks, except that in some cases additional work adjustment time (not exceeding 4 weeks) may be needed.
