(a) Eligibility criteria

Subject to this subclause an employer may engage employees at a supported wage rate (as set out in paragraph (c) of this subclause) who meet the impairment criteria for receipt of a Disability Support Pension and who, because of their disability, are unable to perform the range of duties to the competence level normally required for the class of work for which they are engaged.

PROVIDED that this subclause does not apply to any existing employee who has a claim against the employer which is subject to the provisions of workers' compensation legislation or any provision of this award relating to the rehabilitation of employees who are injured in the course of their current employment.

PROVIDED FURTHER that this subclause does not apply to employers in respect of their facility, programme, undertaking, service or the like which receives funding under the *Disability Services Act 1986* and fulfils the dual role of service provider and sheltered employer to people with disabilities who are in receipt of or are eligible for a disability support pension, except with respect to an organisation which has received recognition under Section 10 or under Section 12A of the above Act, or if a part only has received recognition, that part.

(b) For the purposes of this subclause:

'Supported Wage System' means the Commonwealth Government System to promote employment for people who cannot work at full award wages because of a disability.

'Accredited Assessor' means a person accredited by the management unit established by the Commonwealth under the Supported Wage System to perform assessments of an individual's productive capacity within the Supported Wage System.

50%	50
60%	60
70%	70

PROVIDED that the minimum amount payable shall be not less than \$45 per week.

(d) Assessment of capacity

For the purpose of establishing the percentage of the award rate to be paid to a supported wage employee under this award, the productive capacity of the employee will be assessed in accordance with the Supported Wage System and documented in an assessment instrument by either:

- (i) the employer and a union party to the award, in consultation with the employee or, if desired by any of these;
- (ii) the employer and an accredited Assessor from a panel agreed by the parties to the award and the employee.

- (ii) All assessment instruments shall be agreed and signed by the parties to the assessment, provided that where a union which is party to the award, is not a party to the assessment, it shall be referred by the Registrar of the Tasmanian Industrial Commission to the union by certified mail and shall take effect unless an objection is notified to the Registrar of the Tasmanian Industrial Commission within 10 working days.

This document is translated from the original order and is not in itself a legal document. No responsibility is taken for any discrepancy that may arise between this document and the order that was printed and published by the Printing Authority of Tasmania.

(g) Other terms and conditions of employment

Employees covered by the supported wage provisions of this subclause shall be entitled to the same terms and conditions of employment as all other workers covered by this award who are paid on a pro rata basis.

(h) Workplace adjustment

An employer wishing to employ a person under the provisions of this subclause shall take reasonable steps to make changes in the workplace to enhance the employee's capacity to do the job. Changes may involve re-design of job duties, working time arrangements and work organisation in consultation with other workers in the area.

(i) Trial Period

- (i) In order for an adequate assessment of the employee's capacity to be made, an employer may employ a person under the provisions of this subclause for a trial period not exceeding 12 weeks, except that in some cases additional work adjustment time (not exceeding four weeks) may be needed.
- (ii) During that trial period the assessment of capacity shall be undertaken and the proposed wage rate for a continuing employment relationship shall be determined in accordance with paragraphs (d) and (e).
- (iii) The minimum amount payable to the employee during the trial period shall be no less than \$45 per week or such greater amount as is agreed from time to time between the parties.
- (iv) Work trials should include induction or training as appropriate to the job being trialed.
- (v) Where the employer and employee wish to establish a continuing employment relationship following the completion of the trial period, a further contract of employment shall be entered into based on the outcome of assessment under subclause (c) hereof."

2. By deleting from Clause 10 - Annual Leave, subclause (e) and inserting in lieu thereof the following:
