

TASMANIAN INDUSTRIAL COMMISSION

Industrial Relations Act 1984

T. No. 5316 of 1994

IN THE MATTER OF an application by the
Australasian Meat Industry Employees
Union, Tasmanian Branch for the making of
the Tasmanian Meat Industry Award

COMMISSIONER WATLING

HOBART, 16 January 1995

TRANSCRIPT OF PROCEEDINGS

Unedited

COMMISSIONER WATLING: I'll take appearances, please.

MR J. SWALLOW: SWALLOW, J.E., AMIEU.

COMMISSIONER WATLING: Thank you.

5 **MR P.E. TARGETT:** Thank you, commissioner. TARGETT, P.E., from the Tasmanian Chamber of Commerce and Industry and I also apologise for my lateness in relation to this matter.

COMMISSIONER WATLING: Good.

MR M. FLYNN: FLYNN, MICHAEL DENIS for the Meat and Allied Trades Federation of Australia, Tasmanian Division, commissioner.

10 COMMISSIONER WATLING: Good. Thank you. Right. Well we had pre hearing discussions on the scope of this award because we're going to look at scope - title and scope first up and then we will - if the application's successful - adjourn to enable people to apply for an interest in the award, and then after that we will proceed to make the contents of the award. I notice the application doesn't contain anything in
15 relation to what the scope of the award should be.

MR TARGETT: I'm happy to make some comments, if you wish, commissioner, as no one else is rushing to their feet. I'm unaware of any pre hearing discussions. I haven't been involved in any myself and to date I haven't received a copy of the proposed scope for the award from the applicant so I am unaware of what the actual intended scope is
20 in relation to this matter, -

COMMISSIONER WATLING: Right.

MR TARGETT: - as I say, I haven't been involved in any discussions prior to these proceedings.

25 COMMISSIONER WATLING: Mr Swallow, have you got anything there on the scope of the award?

MR SWALLOW: No, there's been no discussions in relation to it. Maybe we could adjourn.

30 COMMISSIONER WATLING: Well I think I might adjourn the parties into conference to have a look at it, and you might let me know when you are either ready to go or you want just to continue your discussions. So, - anyway I'll adjourn the matter into conference to enable you to discuss, firstly, the title and scope of the award that's proposed through this application. We stand adjourned.

INTO CONFERENCE
