Except as provided in subclause (d) hereof, payment shall not be made or accepted in lieu of annual leave.

(h) Payment for Period of Leave

Employees before going on leave shall be paid the amount of wages they would have received in respect of the ordinary time they would have worked if not on leave during the relevant period.

In the case of shiftworkers, payment shall be at the appropriate hourly rate multiplied by the rostered weekly hours factor for the period of leave taken.

Payment for leave shall exclude the payment of extra duty hours.

11. CALL BACK

Except where otherwise specifically provided an employee recalled to work after leaving the ambulance station (whether notified before or after leaving such premises) shall be paid at overtime rates for the actual period or periods of duty - with a minimum payment of 3 hours per call for the time so worked, provided that 3 hours has elapsed from the commencement of the previous call.
12. CONTRACT OF EMPLOYMENT

Employment shall be by the fortnight. Any employee not specifically engaged as a casual employee shall be deemed to be employed by the fortnight.

An employee (other than a casual employee) willing to work, and who works less than a full working fortnight, shall be entitled to a full fortnight's wages.

Employment shall be terminated by two weeks' notice, given by either side or by the payment or forfeiture of two weeks' wages, as the case may be. This shall not affect the right of the Director of Ambulance Services to dismiss an employee for serious misconduct or serious neglect of duty, in which case wages shall be paid up to the time of dismissal only.

13. GRIEVANCE PROCEDURE

It is the objective of this procedure to ensure that grievances are resolved by negotiation and discussion between the parties.

The parties to the award recognize that from time to time individual employees may have grievances which need to be resolved in the interests of good relationships.

An employee will have the right for a grievance to be heard through all levels of management.

(a) In the first instance the employee shall attempt to resolve the grievance with his immediate supervisor. The local union representative shall be present if desired by either party.

(b) If the employee still feels aggrieved, then the matter shall be referred to his Superintendent. The local union representative shall be present if desired by either party.

(c) If the grievance is unresolved at the second stage, the matter shall be referred to senior management of the Tasmanian Ambulance Service and to the State Secretary of the Ambulance Employees' Association of Tasmania.

(d) It is agreed that steps (a) to (c) shall take place within seven days.

(e) If the grievance still exists the matter shall be referred to either the Commissioner for Review or the Tasmanian Industrial Commission for decision which shall be accepted by the parties as ending the matter.

(f) Until the grievance is determined, work shall continue normally in accordance with custom and practice existing before the grievance arose.
No party shall be prejudiced as to the final settlement of a grievance by the continuance of work.

NOTE: Each step of the above procedures shall be documented and the employee shall have access to the documentation.

Disciplinary Procedures

Where disciplinary action is necessary, the procedures to apply are those contained in Section 7.4 of the Tasmanian State Service Personnel Manual.

14. HOURS

The ordinary hours of work for day work employees shall be 37.5 hours per week for clerical staff, and 40 hours per week for all other day work employees; to be worked in five days, Monday to Friday inclusive, in continuous periods of 7.5 hours and 8 hours per day respectively, except for a meal break of not more than 1 hour duration, to be worked between 7.00am and 7.00pm on such days.

(ii) employees at Country Stations shall work a roster system of four days on duty followed by four days off duty in shifts of 11 hours 25 minutes duration.

(c) Rostered Weekly Hours Factor

The 'Rostered Weekly Hours Factor' is the average number of hours per week for which an employee is entitled to receive payment and is based on the hours worked over a complete cycle of the 4 x 4 roster system (i.e. 64 weeks) taking into account the appropriate weekend penalties and shift allowances; as per the example standard calculation appearing in Appendix I of this award.

(d) Composite Wage

'Composite Wage' is the weekly wage payable to employees and is computed by multiplying the appropriate hourly rate (as defined) for each employee by the 'rostered weekly hours factor'.

(v) An employee shall not be in breach of this clause as a consequence of failure to give the stipulated period of notice in accordance with paragraph (iii) hereof, if such failure is occasioned by the confinement occurring earlier than the presumed date.

(c) Transfer to a safe job

Where in the opinion of a duly qualified medical practitioner, illness or risks arising out of the pregnancy or hazards connected with the work assigned to the employee make it inadvisable for the employee to continue at her present work, the employee shall, if the employer deems it practicable, be transferred to a safe job at the rate and on the conditions attaching to that job until the commencement of maternity leave.
If the transfer to a safe job is not practicable, the employee may, or the employer may require the employee to, take leave for such period as is certified necessary by a duly qualified medical practitioner. Such leave shall be treated as maternity leave for the purposes of subclauses (g), (h), (i) and (j) hereof.

(d) Variation of period of maternity leave

(f) Special maternity leave and sick leave

(i) Where the pregnancy of an employee not then on maternity leave terminates after 28 weeks other than by the birth of a living child then:

(a) she shall be entitled to such period of unpaid leave (to be known as special maternity leave) as a duly qualified medical practitioner certifies as necessary before her return to work, or

(b) for illness other than the normal consequences of confinement she shall be entitled, either in lieu of or in addition to special maternity leave, to such paid sick leave as to which she is then entitled and which a duly qualified medical practitioner certifies as necessary before her return to work.

(ii) Where an employee not then on maternity leave suffers illness related to her pregnancy, she may take such paid sick leave as to which she is then entitled and such further unpaid leave (to be known as special maternity leave) as a duly qualified medical practitioner certifies as necessary before her return to work, provided that the aggregate of paid sick leave, special maternity leave and maternity leave shall not exceed 52 weeks.
(iii) For the purposes of subclauses (g), (h) and (i) hereof, maternity leave shall include special maternity leave.

(iv) An employee returning to work after the completion of a period of leave taken pursuant to this subclause shall be entitled to the position which she held immediately before proceeding on such leave or, in the case of an employee who was transferred to a safe job pursuant to subclause (c), to the position she held immediately before such transfer.

Where such position no longer exists but there are other positions available, for which the employee is qualified and the duties of which she is capable of performing, she shall be entitled to a position as nearly comparable in status and salary or wage to that of her former position.

(g) Maternity leave and other entitlements

Provided the aggregate of leave including leave taken pursuant to sub-clauses (c) and (f) hereof does not exceed 52 weeks:

(i) An employee may, in lieu of or in conjunction with maternity leave, take any annual leave or any part thereof to which she is then entitled.

(ii) Paid sick leave or other paid authorised award absences (excluding annual leave), shall not be available to an employee during her absence on maternity leave.

(h) Effect of maternity leave on employment

Notwithstanding any award or other provision to the contrary, absence on maternity leave shall not break the continuity of service of an employee but shall not be taken into account in calculating the period of service for any purpose of an award.

(i) Termination of employment

(i) An employee on maternity leave may terminate her employment at any time during the period of leave by notice given in accordance with this award.

(ii) An employer shall not terminate the employment of an employee on the ground of her pregnancy or of her absence on maternity leave, but otherwise the rights of an employer in relation to termination of employment are not hereby affected.

(j) Return to work after maternity leave

(i) An employee shall confirm her intention of returning to her work by notice in writing to the employer given not less than 4 weeks prior to the expiration of her period of maternity leave.
(ii) An employee, upon expiration of the notice required by paragraph (i) hereof, shall be entitled to the position which she held immediately before proceeding on maternity leave or, in the case of an employee who was transferred to a safe job pursuant to subclause (c) to the position which she held immediately before such transfer. Where such position no longer exists but there are other positions available for which the employee is qualified and the duties of which she is capable of performing, she shall be entitled to a position as nearly comparable in status and salary or wage to that of her former position.

(k) Replacement employees

(iv) Provided that nothing in this sub-clause shall be construed as requiring an employer to engage a replacement employee.

(v) A replacement employee shall not be entitled to any of the rights conferred by this clause except where her employment continues beyond the 12 months' qualifying period.

16. MEDICAL EXAMINATIONS

Public holidays - double time and one half.

Unless the period of overtime is one and a half hours or less, an employee before starting overtime shall be allowed a meal break of 20 minutes which shall be paid at ordinary rates. The Director and an employee may agree to any variation of this provision to meet the circumstances of the work in hand provided that no employee shall be required to work more than five hours without a break for a meal.

19. PAYMENT OF WAGES

21. REST PERIOD AFTER OVERTIME

When overtime work is necessary it shall, wherever reasonably practicable, be so arranged that employees have at least 10 consecutive hours off duty between the work of successive days. An employee (other than a casual employee) who works so much overtime between the termination of ordinary work on one day and the commencement of ordinary work on the next day that there is not at least 10 consecutive hours off duty between those times, shall be released after completion of such overtime until the employee has had 10 consecutive hours off duty without the loss of pay for ordinary working time occurring during such absence.
If, on the instructions of the Director of Ambulance Services, an employee resumes or continues work without having had 10 consecutive hours off duty, such employee shall be paid at the appropriate overtime rate until released from duty for such period, and shall be entitled to be absent for 10 consecutive hours off duty without the loss of pay for ordinary working time occurring during such absence.

The provisions of this clause shall not apply to employees who are rostered for on call duty.

22. RIGHT OF ENTRY

Reasonable facilities shall be afforded officers of unions for investigating grievances of members or for the purpose of interviewing employees on legitimate union business; and without affecting the generality of the foregoing provision the Director of Ambulance Services shall permit an official of a union, authorized in writing by the Secretary for Labour, to enter his establishment during working hours for the purpose of interviewing members of the union on matters relating to this award. The representative shall not unduly interfere with the working of the establishment.

29. LEAVE RESERVED

Leave is reserved to the parties in respect to the following:-

- Definitions;
- Out of area calls.

COMMISSIONER

Rostered Weekly Hours Factor

The average number of hours per week an employee would be entitled to be paid, for the actual hours worked over a complete cycle of the 4 x 4 roster system, having regard for the days he would work on over this period of 64 weeks (i.e. one complete cycle) and taking into account the appropriate penalties and shift allowances applicable for those days he would be rostered on duty. It depends on the actual length of shifts the employee is required to work, and how many, in the roster of 64 weeks. It is used in the calculation of the composite wage applicable for the particular roster required to be worked by employees.

Stated below is the method of calculation:

(a) Over a complete cycle of 64 weeks an AMBULANCE OFFICER would work -

<table>
<thead>
<tr>
<th>Description</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>80 day shifts on week days</td>
<td>800 hours</td>

<tr>
<td>60 night shifts on week days</td>
<td>840 hours</td>
</tr>
<tr>
<td>20 late shifts on week days</td>
<td>188.333 hours</td>
</tr>
<tr>
<td>(Total hours worked on week days)</td>
<td>1828.333 hours</td>
</tr>
<tr>
<td>Plus</td>
<td></td>
</tr>
<tr>
<td>16 day shifts on Saturdays</td>
<td>160 hours</td>
</tr>
<tr>
<td>12 night shifts on Saturdays</td>
<td>168 hours</td>
</tr>
<tr>
<td>4 late shifts on Saturdays</td>
<td>37.666 hours</td>
</tr>
<tr>
<td>(Total hours worked on Saturdays)</td>
<td>365.666 hours</td>
</tr>
<tr>

</tr>
<tr>
<td>16 day shifts on Sundays</td>
<td>160 hours</td>
</tr>
<tr>

</tr>
<tr>
<td>4 late shifts on Sundays</td>
<td>37.666 hours</td>
</tr>
<tr>
<td>(Total hours worked on Sundays)</td>
<td>365.666 hours</td>
</tr>
</tbody>
</table>

Therefore, total hours actually worked over 64 weeks is -

1828.333
365.666
365.666
2559.665 hours

(Average hours per week is - 39.995 hours)
For the hours worked during the week days (1828.333) there is a 15% shift loading, which amounts to 274.249 hours, in addition to the actual hours worked.

Time worked on Saturdays is paid at double time, i.e. 365.666 times 2 is - 731.332 hours.

Time worked on Sundays is paid at double time and a half, i.e. 365.666 times 2 1/2 is - 914.165 hours.

The Ambulance Officer would be paid over the 64 weeks:

- 1828.333 hours for week days
- 274.249 hours for shift allowance
- 731.332 hours for Saturdays
- 914.165 hours for Sundays

Total 3748.079

(Average hours paid per week is - 58.564 hours)

This then is the ROSTERED WEEKLY HOURS FACTOR for Ambulance Officers working the rostered hours.

(b) Headquarters Duty Officers

The calculation for Duty Officers at Headquarters working as shift duty officer is as follows:

Over a complete cycle of 64 weeks a Duty Officer would work:

- 112 day shifts of 10 hours - 1120 hours
- 112 night shifts of 14 hours - 1568 hours

2688 hours

This is 128 hours in excess of an average 40 hour week over the 64 week cycle (64 x 40 = 2560 hours).

These extra 128 hours are worked evenly over all days of the week (18.285 hours for each day of the week) and being in excess of 40 hours are paid at overtime rates.

Therefore -

- Week days total 5 x 18.285 x 2 = 182.85 hours
- Saturdays total 18.285 x 2 = 36.57 hours
- Sundays total 18.285 x 2 1/2 = 45.71 hours
- Total = 265.13 hours

Average per week over 64 weeks = 4.142 hours
This represents the 'Rostered Overtime Factor' for the Duty Officers working these particular hours. This is added to the 'Rostered Weekly Hours Factor' for a basic 40 hour week which is 58.564. Therefore the 'Rostered Weekly Hours Factor' for these Duty Officers is 58.564 + 4.142 = 62.706.

(c) Branch Stations

The calculation for an Officer at a Branch Station is as follows:

Over a complete cycle of 64 weeks an officer at a Branch Station would work –

160 shifts on week days, i.e. 1829.328 hours
32 shifts on Saturdays 365.856 hours
32 shifts on Sundays 365.856 hours

Therefore total hours actually worked in 64 weeks - 2561.040 hours
Therefore average weekly hours is - 40.016 hours

For the hours worked during week days, there is a 15% shift loading which amounts to 274.399.

Time worked on Saturday is at double time, i.e.

365.856 x 2 - 731.712

Time worked on 'Sunday is at double time and one half, i.e.

365.856 x 2 - 914.640

The Officer would be paid over 64 weeks -
