If, after one month of continuous service in any qualifying twelve monthly period, an employee leaves the employment or the employment is terminated by the Director of Ambulance Services through no fault of the employee, the employee shall be paid at the ordinary rate of wages as follows:

If the transfer to a safe job is not practicable, the employee may, or the employer may require the employee to, take leave for such period as is certified necessary by a duly qualified medical practitioner. - (i) An employee on maternity leave may terminate her employment at any time during the period of leave by notice given in accordance with this award.
- (ii) An employer shall not terminate the employment of an employee on the ground of her pregnancy or of her absence on maternity leave, but otherwise the rights of an employer in relation to termination of employment are not hereby affected.

An employee (other than a casual employee) who works so much overtime between the termination of ordinary work on one day and the commencement of ordinary work on the next day that there is not at least nine consecutive hours off duty between those times, shall be released after completion of such overtime until the employee has had nine consecutive hours off duty without the loss of pay for ordinary working time occurring during such absence.

If, on the instructions of the Director of Ambulance Services, an employee resumes or continues work without having had nine consecutive hours off duty, such employee shall be paid at the appropriate overtime rate until released from duty for such period, and shall be entitled to be absent for nine consecutive hours off duty without the loss of pay for ordinary working time occurring during such absence.

Rostered Weekly Hours Factor

The average number of hours per week an employee would be entitled to be paid, for the actual hours worked over a complete cycle of the 4 x 4 roster system, having regard for the days he would work on over this period of 64 weeks (ie. one complete cycle) and taking into account the appropriate penalties and shift allowances applicable for those days he would be rostered on duty. It depends on the actual length of shifts the employee is required to work, and how many, in the roster of 64 weeks. It is used in the calculation of the composite wage applicable for the particular roster required to be worked by employees.

Stated below is the method of calculation:

(a) Over a complete cycle of 64 weeks an AMBULANCE OFFICER would work -

80 day shifts on week days ie.	800.000 hours
60 night shifts on week days	840.000 hours
20 late shifts on week days	<u>188.333</u> hours
(Total hours worked on week days)	<u>1828.333</u> hours

Plus

16 day shifts on Saturdays	160.000 hours
12 night shifts on Saturdays	168.000 hours
4 late shifts on Saturdays	<u>37.666</u> hours
(Total hours worked on Saturdays)	<u>365.666</u> hours

Plus

16 day shifts on Sundays	160.000 hours
12 night shifts on Sundays	168.000 hours
4 late shifts on Sundays	<u>37.666</u> hours
(Total hours worked on Sundays)	<u>365.666</u> hours

Therefore, total hours actually worked over 64 weeks is -	1828.333
	365.666
	<u>365.666</u>
	<u>2559.665</u> hours

(Average hours per week is - 39.995 hours)

For the hours worked during the week days (1828.333), there is a 15 percent shift loading, which amounts to 274.249 hours, in addition to the actual hours worked.

Time worked on Saturdays is paid at double time, ie. 365.666 times 2 is - 731.332 hours.

Time worked on Sundays is paid at double time and a half, ie. 365.666 times 2 1/2 is - 914.165 hours.

The Ambulance Officer would be paid over the 64 weeks -

1828.333 hours for week days
274.249 hours for shift allowance
731.332 hours for Saturday
914.165 hours for Sundays
3748.079

(Average hours paid per week is - 58.564 hours)

This then is the ROSTERED WEEKLY HOURS FACTOR for Ambulance Officers working the rostered hours.

(b) Headquarters Duty Officers

The calculation for Duty Officers at Headquarters working as shift duty officer is as follows:

Over a complete cycle of 64 weeks a Duty Officer would work -

112 day shifts of 10 hours - 1120 hours
112 night shifts of 14 hours - 1568 hours
2688 hours

This is 128 hours in excess of an average 40 hour week over the 64 week cycle (64 x 40 = 2560 hours).

These extra 128 hours are worked evenly over all days of the week (18.285 hours for each day of the week) and being in excess of 40 hours are paid at overtime rates.

Therefore –

Week days total 5 x 18.285 x 2 = 182.85 hours
Saturdays total 18.285 x 2 = 36.57 hours
Sundays total 18.285 x 2 1/2 = 45.71 hours
Total = 265.13 hours

Average per week over 64 weeks = 4.142 hours

This represents the 'Rostered Overtime Factor' for the Duty Officers working these particular hours. This is added to the 'Rostered Weekly Hours Factor' for a basic 40 hour week which is 58.564. Therefore the 'Rostered Weekly Hours Factor' for these Duty Officers is 58.564 + 4.142 = 62.706.

(c) Branch Stations

The calculation for an Officer at a Branch Station is as follows:

Over a complete cycle of 64 weeks an officer at a Branch Station would work –

160 shifts on week days, ie.	1829.328 hours
32 shifts on Saturdays	365.856 hours
32 shifts on Sundays	<u>365.856</u> hours

Therefore total hours actually worked
in 64 weeks - 2561.040 hours

Therefore average weekly hours is - 40.016 hours

For the hours worked during week days, there is a 15 percent shift loading which amounts to 274.399.

Time worked on Saturday is at double time, ie.

$365.856 \times 2 = 731.712$

Time worked on Sunday is at double time and one half, ie.

$365.856 \times 2 = 914.640$

The Officer would be paid over 64 weeks -

1829.328 hours for week days
274.399 hours for shift allowance
731.712 hours for Saturdays
<u>914.640</u> hours for Sundays

3750.079 hours total

Therefore the 'Rostered Weekly Hours Factor' would be 58.594.

However, for the purposes of this award, it is agreed that these officers will be paid the same rostered weekly hours factor as on- road officers at Headquarters.

Therefore the rostered weekly hours factor to be paid to officers at Branch Stations is 58.564.

STATE SERVICE ACCUMULATED LEAVE SCHEME

1. TITLE

The scheme is to be known as the "State Service Accumulated Leave Scheme" (SSALS).

2. SUMMARY OF SCHEME

The SSALS allows Heads of Agency to approve Plans under which participating employees will, by taking a reduction in normal salary for a given period, become entitled at the end of that period to a pre-determined amount of special ("accumulated") leave during which they will be paid salary at the same reduced rate.

3. INTERPRETATION

The conditions and administrative arrangements in the SSALS are to be administered in conjunction with the *Tasmanian State Service Act 1984*, the Tasmanian State Service Regulations 1985, relevant Awards, Industrial Agreements, Administrative Instructions and Employment Instructions.

'accumulated leave' means the period of time that is accumulated under the Plan as leave during a work period.

'leave period' means the period specified in a Plan when a participating employee is absent from work on accumulated leave.

'normal salary' means the salary that would be paid to a participating employee if that person was not participating in a Plan and includes salary expressed as an annual rate, fortnightly rate, weekly rate, daily rate or hourly rate. It includes all allowances that are paid as an annual rate, fortnightly rate, weekly rate, daily rate or hourly rate but not overtime payments and shift work penalty rates unless they are paid as a component of an annualised rate.

'operational requirements' means the need to ensure that the Agency is to be operated as effectively, efficiently and economically as possible.

'participating employee' means an employee whose election to participate in a Plan has been approved by their Head of Agency.

'Plan' means an arrangement in the SSALS consisting of a specified work period followed by a specified leave period.

'work period' means the period specified in a Plan when an employee is at work.

4. PLANS

The SSALS consists of arrangements known as Plans. For example:

Work Period	Percentage of Normal Salary payable during the period of the Plan	Leave Period
Four Years	80% "The Four over Five Year Plan"	One Year
Three Years	75% "The Three over Four Year Plan"	One Year
Twenty Months	83.3% "The 20 over 24 Month Plan"	Four Months
Eighteen Months	75% "The 18 over 24 Month Plan"	Six Months
Forty Eight Weeks	92.3% "The 48 over 52 Week Plan"	Four Weeks
Forty Weeks	76.9% "The 40 over 52 Week Plan"	Twelve Weeks
(Other Plan) "A"	$\frac{A}{A+B} \times 100 = \dots\%$ (to one decimal place)	(Other Plan) "B"
..... <i>Years</i> <i>Months</i> <i>Weeks</i>	$\frac{\text{Year}}{\text{Month Plan}}$ The.... over..... <i>Month Plan</i> <i>Week</i> <i>Year</i> <i>Months</i> <i>Weeks</i>

5. APPLICATION OF SSALS

- 5.1 The Head of an Agency, after considering the operational requirements of the Agency, determines whether any Plan or Plans are to be available to employees in the Agency.
- 5.2 A Head of an Agency may make any Plan or Plans available to employees in that Agency or an employee or employees can request the Head of Agency that a Plan be made available to them.
- 5.3 A Plan may be made available to any permanent employee (full or part-time) including an employee who works shifts. A Plan may be made available to any temporary employee the term of whose contract of employment is sufficient to cover the period of the plan.
- 5.4 The Head of Agency determines:
 - whether one or more Plans will be made available to all or only some of the employees;
 - whether particular Plans will be made available to particular categories of employees;

- whether quotas will apply to the number of employees who may participate in a Plan, and whether quotas will apply to any category of employees;
 - the selection arrangements where quotas are imposed; and
 - the commencement date of any Plan.
- 5.5 Where an employee participating in a Plan is promoted, transferred, seconded or otherwise moved either into another Agency or within their own Agency the Head of the Agency in which the employee is thereafter employed will, after consultation with the employee and taking into account the operational requirements of the Agency, determine whether or not the employee is able to continue on their Plan.
- 5.6 If the Head of Agency determines under Clause 5.5 that the employee is not able to continue on their Plan, the Head of Agency may forthwith terminate the employee's Plan whereupon the employee becomes entitled to a period of accumulated leave which bears the same proportion to the total leave period of the Plan as the period worked under the Plan bears to the total work period, to be remunerated at the percentage of normal salary payable during the period of the Plan. The employee may apply to the Head of Agency at any time to take that leave, and it shall be granted as soon as can be, consistent with the operational requirements of the Agency.

6. HOW TO PARTICIPATE IN SSALS

- 6.1 Where the Head of an Agency offers a Plan to an employee the employee may elect to participate in the Plan by lodging an election in writing with the Head of Agency in any form which the Head of Agency may approve.
- 6.2 The Head of the Agency may accept or reject an election to participate made in accordance with Clause 6.1.
- 6.3 The Head of Agency will notify the employee in writing if the employee's election has been disapproved.
- 6.4 Where the employee's election is approved, the Head of Agency will endorse approval on the form of election which was lodged by the employee, and will provide the employee with a copy of that endorsed form.
- 6.5 An employee's election under Clause 6.1 does not entitle the employee to participate in a Plan until it is approved by the Head of Agency in accordance with Clause 6.4.
- 6.6 A participating employee wishing to withdraw from a Plan must apply in writing to their Head of Agency who may refuse the application if he or she considers such refusal to be reasonably required to meet the operational requirements of the Agency.

7. CONDITIONS AND ADMINISTRATIVE ARRANGEMENTS

7.1 Work Period to be completed prior to Period of Leave

The work period specified in a Plan must be completed before a participating employee can commence the leave period specified in that Plan.

Suspension may occur either during the work period or the leave period of the Plan, and will be for such period as may be specified by the Head of Agency in the instrument by which the Plan is suspended.

Where the total period of the Plan comprises five years or more (for example a four over five plan) the Plan may only be suspended with the agreement of the employee.

An employee is entitled to compensation for reasonable expenses incurred by the employee, but not otherwise recoverable, as a result of the Head of Agency's decision to suspend the plan otherwise than on the application of the employee.

7.3 Accumulated Leave

Accumulated leave is to be managed in accordance with any legislative requirements and with any guidelines which may be issued by the relevant Head of Agency which are not inconsistent with the SSALS.

A record is to be kept to show at all times the exact amount of the accumulated leave for each participating employee.

On withdrawal from a Plan, the accumulated leave is to be taken immediately or either wholly or in part at a later time approved by the Head of Agency, at the percentage of normal salary payable during the period of the Plan. It is not to be paid out unless the participating employee's employment ends.

Where a participating employee moves to another Agency the exact amount of the accumulated leave and salary for that employee is to be transferred to that Agency not later than twenty working days after the date of movement.

7.4 Payment during the Leave Period

During the leave period the participating employee will receive salary at the percentage of normal salary payable during the period of the Plan. Normal employment conditions will apply as if the employee was on annual leave. An employee may, on request, receive a lump sum payment in either one or two instalments.

normal salary payable during the period of the Plan. Whenever taken, entitlements will be deducted from credits in the normal manner.

7.11 Sick Leave

Sick leave entitlements taken during the period of a Plan will be taken at the rate of salary applicable under the Plan and will be deducted from credits in the normal manner.

Sick leave entitlements will accrue throughout the period of the Plan and access to those entitlements will be in accordance with the Tasmanian State Service Regulations and any relevant Award provisions.

7.12 Maternity Leave and Adoption Leave

Where a participating employee is absent on maternity leave or adoption leave, either within the work period of a Plan or during the leave period, the employee's participation in the Plan is not affected by that maternity or adoption leave. Salary arrangements established by the Plan apply during maternity or adoption leave.

7.13 Other Leave

Payment of all other leave entitlements (including leave on account of special circumstances, bereavement leave, leave of absence with or without pay, Defence Force leave, leave for jury service, leave in lieu of overtime, etc) taken during the currency of a Plan will be at the rate of salary applicable under the Plan. Such entitlements will when taken be deducted from credits in the normal manner, and are to be taken otherwise than during the leave period of a Plan.

7.14 Long Service Leave

Long service leave is provided for in the *Long Service Leave (State Employees) Act 1994*.

Long service leave entitlements accrue throughout the work period of a Plan. The leave period is not to be regarded as a period of employment in calculating length of employment for the purposes of the Act, but is not to be taken as interrupting the continuous employment of a participating employee. Long Service leave entitlements are to be taken otherwise than during the leave period of a Plan.

Where a participating employee is absent on long service leave in the work period of a Plan the employee's participation in the Plan is not postponed for the duration of that long service leave, and salary is to be paid at the rate of salary applicable under the Plan.
