APPENDIX B

STATE SERVICE ACCUMULATED LEAVE SCHEME

1. TITLE

The scheme is to be known as the State Service Accumulated Leave Scheme (SSALS).

2. SUMMARY OF SCHEME

The SSALS allows Heads of Agency to approve Plans under which participating employees will, by taking a reduction in normal salary for a given period, become entitled at the end of that period to a pre-determined amount of special ("accumulated") leave during which they will be paid salary at the same reduced rate.

3. INTERPRETATION

The conditions and administrative arrangements in the SSALS are to be administered in conjunction with the *Tasmanian State Service Act 1984*, the *Tasmanian State Service Regulations 1985*, relevant Awards, Industrial Agreements, Administrative Instructions and Employment Instructions.

'accumulated leave' means the period of time that is accumulated under the Plan as leave during a work period.

'leave period' means the period specified in a Plan when a participating employee is absent from work on accumulated leave.

'normal salary' means the salary that would be paid to a participating employee if that person was not participating in a Plan and includes salary expressed as an annual rate, fortnightly rate, weekly rate, daily rate or hourly rate. It includes all allowances that are paid as an annual rate, fortnightly rate, weekly rate, daily rate or hourly rate but not overtime payments and shift work penalty rates unless they are paid as a component of an annualised rate.

'operational requirements' means the need to ensure that the Agency is to be operated as effectively, efficiently and economically as possible.

'participating employee' means an employee whose election to participate in a Plan has been approved by their Head of Agency.

'Plan' means an arrangement in the SSALS consisting of a specified work period followed by a specified leave period.

'work period' means the period specified in a Plan when an employee is at work.

This document is translated from the original order and is not in itself a legal document. No responsibility is taken for any discrepancy that may arise between this document and the order that was printed and published by the Printing Authority of Tasmania.

Three Years	75% "The Three over Four Year Plan"	One Year

..... Years Months Weeks Year The.... over..... Month Plan" Week Year Months Weeks

5. APPLICATION OF SSALS

5.1 The Head of an Agency, after considering the operational requirements of the Agency, determines whether any Plan or Plans are to be available to employees in the Agency.

5.2 A Head of an Agency may make any Plan or Plans available to employees in that Agency or an employee or employees can request the Head of Agency that a Plan be made available to them.

This document is translated from the original order and is not in itself a legal document. No responsibility is taken for any discrepancy that may arise between this document and the order that was printed and published by the Printing Authority of Tasmania.

5.3 A Plan may be made available to any permanent employee (full or part-time) including an employee who works shifts. A Plan may be made available to any temporary employee the term of whose contract of employment is sufficient to cover the period of the Plan.

5.4 The Head of Agency determines:

- whether one or more Plans will be made available to all or only some of the employees;
- whether particular Plans will be made available to particular categories of employees;
- whether quotas will apply to the number of employees who may participate in a Plan, and whether quotas will apply to any category of employees;
- the selection arrangements where quotas are imposed; and
- the commencement date of any Plan.

5.5 Where an employee participating in a Plan is promoted, transferred, seconded or otherwise moved either into another Agency or within their own Agency the Head of the Agency in which the employee is thereafter employed will, after consultation with the employee and taking into account the operational requirements of the Agency, determine whether or not the employee is able to continue on their Plan.

5.6 If the Head of Agency determines under clause 5.5 that the employee is not able to continue on their Plan, the Head of Agency may forthwith terminate the employee's Plan whereupon the employee becomes entitled to a period of accumulated leave which bears the same proportion to the total leave period of the Plan as the period worked under the Plan bears to the total work period, to be remunerated at the percentage of normal salary payable during the period of the Plan. The employee may apply to the Head of Agency at any time to take that leave, and it shall be granted as soon as can be, consistent with the operational requirements of the Agency.

6. HOW TO PARTICIPATE IN SSALS

6.1 Where the Head of an Agency offers a Plan to an employee the employee may elect to participate in the Plan by lodging an election in writing with the Head of Agency in any form which the Head of Agency may approve.

6.2 The Head of the Agency may accept or reject an election to participate made in accordance with Clause 6.1.

6.3 The Head of Agency will notify the employee in writing if the employee's election has been disapproved.

This document is translated from the original order and is not in itself a legal document. No responsibility is taken for any discrepancy that may arise between this document and the order that was printed and published by the Printing Authority of Tasmania.

- 6.4 Where the employee's election is approved, the Head of Agency will endorse approval on the form of election which was lodged by the employee, and will provide the employee with a copy of that endorsed form.
- 6.5 An employee's election under Clause 6.1 does not entitle the employee to participate in a Plan until it is approved by the Head of Agency in accordance with Clause 6.4.
- 6.6 A participating employee wishing to withdraw from a Plan must apply in writing to their Head of Agency who may refuse the application if he or she considers such refusal to be reasonably required to meet the operational requirements of the Agency.

The work period specified in a Plan must be completed before a participating employee can commence the leave period specified in that Plan.

Suspension may occur either during the work period or the leave period of the Plan, and will be for such period as may be specified by the Head of Agency in the instrument by which the Plan is suspended.

7.3 Accumulated Leave

Accumulated leave is to be managed in accordance with any legislative requirements and with any guidelines which may be issued by the relevant Head of Agency which are not inconsistent with the SSALS.

This document is translated from the original order and is not in itself a legal document. No responsibility is taken for any discrepancy that may arise between this document and the order that was printed and published by the Printing Authority of Tasmania.

On withdrawal from a Plan, the accumulated leave is to be taken immediately or either wholly or in part at a later time approved by the Head of Agency, at the percentage of normal salary payable during the period of the Plan. It is not to be paid out unless the participating employee's employment ends.

Where a participating employee moves to another Agency the exact amount of the accumulated leave and salary for that employee is to be transferred to that Agency not later than twenty working days after the date of movement.

7.4 Payment during the Leave Period
