TIMBER MERCHANTS AWARD

COMMISSIONER P A IMLACH

19 June 1992

Parties and persons bound - change of name

REASONS FOR DECISION

This was an application for the name of an organisation to be changed in the list of parties and persons bound in the Timber Merchants Award (the Award).

The union seeking to have its name changed was the Construction Forestry and Mining Employees Union, Tasmanian Branch (the CFMEU); the name specified in the Award at the time of the hearing was the Building Workers' Industrial Union of Australia (Tasmanian Branch) (the BWIU).

So far as this Commission is concerned the BWIU changed its name to the CFMEU at the time of the decision in matter T.3762 of 1992 on 15 May 1992. In that matter a Full Bench of the Commission approved the de-registration of The Australian Timber and Allied Industries Union No. 6 (Tasmanian) Branch. Its amalgamation with the BWIU at the State level and the recognition of the amalgamated organisation, the CFMEU, occurred at the same time.

The aim of this application, therefore, was to bring about the same name change from the BWIU to the CFMEU in the Award.

The parties to the Award present at the hearing indicated their agreement to the application and I therefore endorse it.

The amendment to the Award resulting from this decision will operate from 16 June 1992.

An order is attached.
